IT'S NOT SUPPOSED TO BE THIS WAY

Life can often be very different than what we expected or hoped for. Some events may simply catch us off guard for a moment, but others shatter us completely. Whether you're dealing with little disappointments, devastating heartbreaks, or a life-altering loss, this study will help you honestly deal with your pain and reconcile your faith and your feelings. **Materials Needed:** *It's Not Supposed To Be This Way* by Lysa Terkeurst ISBN: 978-0-7180-3985-1

COVENANT

God's choice of the covenant to describe His relationship with His people highlights the degree of His love for us. The God who created all things wants to have a love relationship with the ones He created. This truth is not new. We know that we are loved by God, but the depth of His love for us, His deep desire for our fellowship, and the longing of His heart that we might really know Him gets lost as we "do life." This class is being offered that we might really know Him, our Covenant God, and enter into a richer, stronger relationship with Him. **Materials Needed:** Bible

DEEPER STILL: A JOURNEY INTO MAKING MORE ROOM FOR CHRIST AND HIS KINGDOM

Jesus likes to come in ways we do not expect. In order to receive Him as He is, rather than who and how we want Him to be, room needs to be made. This class will give you tools that will help you create room and discover more of the LIFE and FREEDOM Jesus wants to give. We will explore the principles of living from the inside out, responding to Him rather than expectations, definitions, and obligations, and setting healthy boundaries to name a few. When we purposefully make room for Him, He comes and fills the space in ways we did not ask or imagine! **Materials Needed:** Bible

SONGS IN SCRIPTURE

When we talk about songs in scripture, we often reference the Book of Psalms. We hear and read of David's struggles and his heart of praise to the Lord. However, David was not the only one who wrote songs in the Bible. In this class, we will study the songs written throughout the Old and the New Testaments. Together, we will learn and discuss the history, purpose, and heart of writing a song.

Angela Buchanan

This study could change your life! In this eight-week study we will discover eight things every woman should quit to walk in emotional health.
