Grace Women is a place of connection and community where you can grow deeper in your relationship with Christ and develop strong friendships with other ladies. It's a place where you can be empowered to love and serve with your unique giftings, regardless of the season you are in. My desire is that every woman would be equipped to live out the fullness of all Christ has for each one of us. **We have a place for you!**

BUILDING FRIENDSHIPS THAT FIT

We live in a world that is more connected than ever before, yet loneliness is at an all-time high. God created us for relationships so we feel somewhat lost without them. But relationships/friendships take work. Friendships are not found, but formed, and it's never too late. In this class we will learn to build "friendships that fit" together. **Materials Needed:** *Building Friendships that Fit* workbook by Holly Furtick

GUIDE TO JOY: A STUDY OF PHILIPPIANS

Jan Schwiebert

If you were in prison because of your faith, what would you write in a letter to a friend? Would you focus on what you are experiencing (living conditions, treatment by the guards, etc.) or would you write a letter to encourage your reader to rejoice in the midst of her pain and suffering? Would you point your reader to her relationship with the Lord and to a believer's eternal hope or would your focus be on you and your circumstances? Paul shares in the book of Philippians that there will be suffering, but then gives us the keys to be independent of circumstances and full of joy. **Materials Needed:** Bible

MOM SET FREE

Moms are under so much pressure. Not only do we feel the pressure to be "good enough" for our kids but we also feel the pressure to be "good enough" for God in how we parent. These impossible standards leave us stuck in bouncing between worry, fear, anger, guilt, comparison, and shame. They threaten to steal all the wonder from parenting, life, and our personal relationship with God. Mom Set Free will empower you to parent in the confidence of God's grace and to experience the freedom you were created for. Come ready to receive God's grace so we can reflect God's heart to our kids. **Materials Needed:** *Mom Set Free* book and workbook by Jeannie Cunnion ISBN: 978-1-5011564-4-1 & 978-1-4300396-1-7

SPIRITUAL WARFARE BOOT CAMP

Carol McCall

God has won the eternal victory. However, we still live in this world and experience spiritual warfare. The Bible tells us that we are more than conquerors through our Lord Jesus Christ, but sometimes we don't feel or act that way. Would you like to learn to be more confident in battles? In this class, we'll identify warfare, our enemy, his tactics, and look at how Jesus Christ resisted his temptations and then defeated him. We'll learn tools that help us overcome and live as conquerors. Half of each class will be studying what the Bible tells us about spiritual warfare and the other half we will do battle through worship, giving thanks, praise, repentance, and prayer. **Materials Needed:** Bible

EXPERIENCING GOD

Most Bible studies help people; this one changes them forever. For more than 15 years, God has used Experiencing God in His work, showing believers how to know Him intimately while encouraging them to step out in faith and join Him in His work with miraculous results. Through examination of biblical and contemporary illustrations, participants will understand and apply seven realities of experiencing God. **Materials Needed:** Experiencing God book and workbook ISBN: 9780805447538 & 9781415858387

TRUSTWORTHY

Betsy Dobrotka

When hard times come and it seems God is deviating from the plan we assume our life should follow, we're more likely to want to tame God, not trust Him. It's then that we begin to press into our ways and our own timing. No human can carry the weight of being their own god, but so many of us try. In this 6-session study of 1 & 2 Kings, join Lysa TerKeurst in Israel as she honestly reveals the places of distrust in her own heart while exploring the deeply applicable Scriptures that will teach us how to truly trust God. **Materials Needed:** Trustworthy Bible Study Book ISBN: 9781535906715

NOTE: For your convenience a limited supply of study materials are available for purchase the first week of the Wednesday evening studies.
